

SPRING 2021 Newsletter

We would like to wish everyone a very Happy New Year and hope that everyone is keeping safe and well in these difficult times. Here at The King's Court Centre we are already looking forward to welcoming back all our clients and friends as soon as the COVID-19 rules permit. We have taken advantage of the lockdown and closure to put in place a number of improvements to our facilities and services.

Exciting News...

Introducing our NEW LOGO! The design is a graphic representation of our impressive stained glass window. It is a strong image that reflects our history and heritage that has stood the test of time. We hope it will become instantly recognisable within the local community and will increase brand awareness for our amazing venue.

Announcing a New Partnership...

Following a review of customer feedback we are delighted to announce the launch of a new partnership with Sabroso Catering. Centre Improvements...

Following successful fund raising efforts, we have now been able to complete the removal and replacement of the old fire escape. This project has been supported by a group of volunteers who worked tirelessly to complete these works. Whilst we hope to never use for real, it is good to know that the new structure is fully compliant with all of the latest Fire and Health & Safety Regulations.

Other improvements might be more difficult for you to spot but have included some external building maintenance and tree works.

Events...

Marta our Centre Manager will be delighted to discuss your specific event requirements and show you the exquisite facilities that we have to offer.
